

# SAYS MORAN CAN ASK TORRES TO DELIVER FULTON

Kendall, Who Trained Both Men, Says Moran Can Deliver Harder Blow.

By FRANK KENDALL.

Trainer of Moran for his bout with Willard and of Fulton for his fight with Hech.

If Frank Moran and Fred Fulton should ever meet in the roped enclosure my money would go down on Moran. I have worked out with both men and I guess the public will agree with me that I am in a good position to pick the winner of such a combat.

I was chief sparring partner for Moran for his championship bout with Willard last March, and I acted in a similar capacity for Fulton for his recent bout with Al Hech in New York.

My reasons for picking Moran are many. In the first place Moran is the more experienced of the two and ring generalship would be a big factor in such a bout. Another thing, I think Moran is the best puncher of the two and no one will question me when I say he is the gamest man.

Fulton is a way of thinking, is one of the best big men in the game today. He has a fast left and he proved that he carries a good healthy willow in his battle with Hech. He is quite clever and is extremely fast on his feet for so big a man. As a matter of fact he's probably one of the fastest moving heavyweights the ring game has ever boasted.

But Moran would conquer him in much the same way as he whipped Jim Coffey, the Dublin giant. In my mind a Moran-Fulton bout would be a duplicate of the Moran-Coffey fight. True, Fulton is a bit bigger than Billy Gibbons' charge, but that would not matter much in my opinion.

Fulton would elect to lead just as Coffey did and then when the chances came Moran would whip over his famous right and—zowie! I believe Frank would take a couple in the face in order to get over his right. When one takes into consideration the hard blows Willard rained on all parts of Moran's anatomy which failed to make him go down, I'm sure Frank could take whatever Fulton had without any trouble. Some might be of the opinion that Fulton would score a point victory over Moran like Willard did, but you must remember that Fulton is not in Willard's class.

But Jack's Manager Prefers To Push His Man Up By Slower Stages.

By FRANK KENDALL.

Albuquerque, N. M., May 22.—Louis Newman, manager for Jack Torres, the New Mexican welterweight boxer, received an offer today from the Alamo A. A. of Boston, to bring his championship prospect to Boston for a match July 4 with Ted Lewis, who is rated the next best welterweight in the world to Jack Britton, and last week held Mike Gibbons to a ten round draw in New York. Newman was forced to pass up the offer as he has Torres scheduled to fight here Memorial day with Jimmy Connors, of New York, and next month has two hours scheduled at Salt Lake and Boise, Idaho. On July 4 at Las Vegas, Torres is to meet Dick Wells, of Cincinnati.

"I am not anxious to rush Torres into bouts with a champion or a near-champion, like Ted Lewis, right now," said Newman in declining the offer from Boston. "While I fancy he is good enough to hold his own with any man his weight in the world right now, still I want him to be a bit more seasoned before giving him the supreme test. Billy McCarthy, who is here with me staging the big boxing carnival Memorial day afternoon, made me a great offer for Torres and Jack Britton to go to Boston for the Alamo A. A. but I declined the offer. By next October, Jack Torres will be the welterweight champion of the world. These big matches will keep Torres busy for some time."

The other ten round bouts, on the same card with Torres and Connors, will be between bananawrights, "Young" Joe Rivers vs. Patas Kline and lightweight Benny Cordova and "Lefty" Floyd of Socorro. Both bouts should be hotly contested as the men are evenly matched in height, weight, reach and ability. The first bout will go in the ring promptly at 2 o'clock, the others following quickly.

Fulton is a way of thinking, is one of the best big men in the game today. He has a fast left and he proved that he carries a good healthy willow in his battle with Hech. He is quite clever and is extremely fast on his feet for so big a man. As a matter of fact he's probably one of the fastest moving heavyweights the ring game has ever boasted.

But Moran would conquer him in much the same way as he whipped Jim Coffey, the Dublin giant. In my mind a Moran-Fulton bout would be a duplicate of the Moran-Coffey fight. True, Fulton
